Spring Registration

Even though Fall semester just started, spring semester is right around the corner. Registration starts in November and student's register according to cumulative credits. Make sure you log onto PRISM to view your registration appointment time.

If you need some assistance with selecting courses, please stop by student services to meet with an advisor. To meet student needs, advisors will be available for appointment as well as walk-in advising; having someone double check your courses before you register is always an added benefit.

Remember, you can't register until your \$100 tuition deposit is paid to the Business Office.

Educational Humor!

When I first started college.....

When I first started college the Dean came in and said "Good Morning" to all of us. When we echoed back to him, he responded "Ah, you're Freshman."

He explained. "When you walk in and say good morning, and they say good morning back, it's Freshmen. When they put their newspapers down and open their books, it's Sophomores. When they look up so they can see the instructor over the tops of the newspapers, it's juniors. When they put their feet up on the desks and keep reading, it's seniors."

"When you walk in and say good morning, and they write it down, it's graduate students."
