WELCOME BACK!!!

To help jump start the semester toward a smooth and easy transition, here are 5 easy tips in making sure you stay on the right track.

1. **Show up for class!** You can't acquire knowledge if you are never present.
2. **Permission number, permission number**—what is everyone talking about? The only way for you to add classes is to get a permission number from the professor.
3. **Never assume the answer!** if you don't know, please ask! Otherwise you will find out the hard way in how you could have easily avoided chaos.
4. **Try not to procrastinate!** Don't start, it will be hard to stop once you get into a habit of putting things off until the last minute. You want to enjoy the learning process.
5. **Get Involved!** Be active in getting to know your campus and all the wonderful resources, services, and opportunities it has to offer. You will meet more people, experience more adventure, and make lasting memories.

Important Dates

Tuesday, September 11th—Financial Aid Census Date
(Official date of Financial Aid calculation base on credits enrolled)

Resources on Campus

Student Services

~Your one stop shop for getting information you need to get you on your way. Whether its general academic advising or getting a photo ID, we are happy to help clarify some of the confusion.

The Learning Resource Center

~Located across from Student Services. Stop in and check out a variety of information available to assist you with your academic needs. Free tutoring, college catalogs, and computer usage are just a few of the resources available to students. There are also employment opportunities available on and off campus through the Learning Center. Stop in and take a look!

Math Labs

~Developmental Math lab—located in the old Planetarium, open from 9 am—3 pm (Monday—Wednesday) and 9 am—1:30 pm on (Thursday and Friday).

~Math lab—located upstairs on second floor—please check lab for hours of operation.

Computer Labs (students are able to access computer labs during building hours, please check ahead of time to see if there are any classes in session).

~Science Wing computer labs

~2nd Floor computer labs

~Library computer labs

UW-Fox Library

~Located next to room 1229. Students can access the UW-Fox library for a variety of reasons from resources to printed materials to a quiet area to study.

STOP!! Take some time and explore your resources!!

Universal Multicultural Association

Congratulations goes out to Ibukun Ogunmodede and Lisa Thor, 2007-08 recipients of the UMA scholarship. Lisa will be continuing her education at UW-Fox Valley for another year and Ibukun will be starting at UW-Madison this fall. Good luck to both of them as they continue their educational journey.

The UMA scholarship is sponsored through fundraising efforts put on by UMA members. To find out more about UMA, come to the first social meeting on **Wednesday, September 12th during the noon hour in room 1335.**

UW-Fox Scholarships will be available starting in December. Applications will be available online through the campus webpage at www.uwfox.uwc.edu.

Funding will then be allocated for the 2008-09 academic school year.

Educational Humor!

I Could Use a Little Money

Dear Father,

School i\$ really great. I am making lot\$ of friend\$ and \$tudying very hard. With all my \$tuff, I \$imply Can't think of anything I need, \$o if you would like, you can ju\$t \$end me a card, a\$ I would love to hear from you.

Love, Your \$on.

After receiving his son's letter, the father immediately replies by sending a letter back.

Dear Son,

I kNOW that astroNOmy, ecoNOMics, and oceaNOgraphy are eNOugh to keep even an hoNOr student busy. Do NOt forget that the pursuit of kNOWledge is a NOble task, and you can never study eNOugh.

Love,
Dad

The following are only learned from college

1. Quarters are like gold.
2. New additions to the food groups: Mountain Dew, Doritos, Ben & Jerry's, Ho-Hos and Oreos
3. Make sure your alarm clock has back-up batteries.
4. 10 minutes is more than enough time to get ready for your first class (not that this is anything really new).
5. Your bill in the bookstore will almost equal tuition.
6. Bum rides, money, notes and snacks as much as you can get them.
7. You get really good with excuses for skipping class.
8. You learn to sleep with light, noise, extreme temps, and roommates snoring.
9. Your life will never be the same again.
10. Stop spending so much time reading emails.....Get your homework done!!
