

About the Fox Valley Scout Program Collaboration Programs

All programs require pre-registration and pre-payment. Fee for each program is \$5/scout, unless otherwise noted. Siblings over age 6 may attend for \$5/child, but they must be registered in advance. These programs are not appropriate for children under age 6. There are no refunds for cancellations, however substitutes are permitted.

Scouts must be accompanied by leaders and/or parent chaperones. There is never a charge for these adults. We recommend a minimum of 1 adult for every 5 scouts. Tiger Cub programs include scout plus adult partner, as outlined by the BSA.

Maximum total attendance numbers for each program are established by each facility based on the space available. Program maximum and minimum numbers are published with registration material for each facility.

Scouts should arrive dressed for the weather and ready to participate in fun, hands-on learning. Programs involve a combination of learn-at-your-pace stations and educator-lead activities. Programs will run regardless of the weather, with adaptations made to accommodate outdoor conditions.

To receive registration information for programs listed, please contact each provider as listed on the following panel:

Heckrodt Wetland Reserve
Tracey Koenig
PO Box 554 (1305 Plank Road)
Menasha, WI 54952
